

TEXGROUP LTD

Primark Limited,
Arthur Ryan House,
22-24 Parnell Street,
Dublin
D01 NX
Republic of Ireland
("Primark")

09-09-2024

Dear Primark,

We are writing this letter to confirm compliance with Primark's Key Performance Indicators relating to greenhouse gas emissions targets ("KPI") as follows:

"Suppliers have a compliant Scope 1, 2, & 3 GHG emissions reduction target in place."

Texgroup Ltd. is classified by Primark as an Agent, as we do not own and/or operate facilities which manufactures goods for Primark but do engage third party facilities directly to manufacture goods for Primark.

The purpose of this letter is to formally confirm that, with effect from the date of this letter, the following actions have been completed to meet the requirements of the KPI:

- Contracted Tier 1 manufacturing sites used to manufacture Primark product have set near-term greenhouse gas (GHG) emissions reduction targets covering their own operations (the facility's Greenhouse Gas Protocol Scope 1 & 2 emissions), in line with the latest criteria and recommendations of the Science Based Targets initiative (SBTi);
- Contracted Tier 2 manufacturing sites used to manufacture Primark product have set near-term GHG emissions reduction targets covering their own operations (the facility's Greenhouse Gas Protocol Scope 1 & 2 emissions), in line with the latest criteria and recommendations of the Science Based Targets initiative (SBTi).

We confirm that a statement to confirm compliance with the KPI appears on a public-facing website (or third party website) at the following web address:

[insert hyperlink to public disclosure]

We agree that this statement shall appear on the Website for at least a period of 12 months from the date of this letter and we shall notify Primark in advance if it is intended that this statement be removed.

In addition to the above we also understand the requirements for 2025, and therefore commit to the following:

- No later than 31 August 2025, we will have set a near-term GHG emissions reduction target covering our Greenhouse Gas Protocol Scope 3 emissions in line with the latest criteria and recommendations of the Science Based Targets initiative (SBTi).

Sincerely,

Abu Taher
Head of Compliance
